## MANOOGIAN MANOR A CULTURE OF CARING

In 1949, the first Home was opened in a small farmhouse in Farmington Hills.

In 1964, a ten acre parcel of land was purchased in order to meet the demands of caring for the elderly. Manoogian Manor became a reality with the dreams, foresight and determination of many individuals, as well as the generous support of its benefactors, Alex and Marie Manoogian.

In 1970, the doors opened and the facility was officially dedicated.

Since then, Manoogian Manor has expanded to house 60 residents, of all nationalities, faiths and cultures, thus ensuring our elderly a continuance of family life filled with peace, comfort and security.
